re: Private sector request to acquire city owned parcel (TM 692, Lot 10) on Granite Street

Honorable Committee Members:

Background: The owners of an 8,465 s.f. (0.19 acre) parcel (TM 692, Lot 14) located at 78 Douglas Street, have expressed an interest in acquiring an abutting, vacant, 2,528 s.f., city-owned parcel (TM 692, Lot 10) which is currently under the jurisdiction of the Department of Public Works. The stated reason for the requested acquisition is to provide on-site parking spaces for their main tenant, the *Granite State Glass* company, away from the Douglas Street residential neighborhood where the business entrance is located.

Surplus Determination: City-owned Lot 10 is essentially a leftover remnant parcel from what was originally a larger piece of land which was acquired by the Highway Department for needed Granite Street ROW improvements. As such, it currently serves no City purpose and we would recommend that it be determined surplus to City needs.

Method of Sale: Normal disposition would be by public sale. In this situation, however, the Committee may find public purpose in selling Lot 10 to the requesting party for the purpose mentioned above, to allow business parking to be sited away from immediate contact with a residential area. If this is the case, we would recommend that a condition of any sale be that Lot 10 be merged with Lot 14.

The only other direct private sector abutter to Lot 10 is Cumberland Farms and all necessary parking for their newly located business will be acceptably met on-site.

If there are any questions, staff will be available at the committee meeting.

Sincerely,

Robert S. MacKenzie, AICP

Application For A Revocable License

Dear Sirs:

I write to request a Revocable License to install at no expense to the City of Manchester, a spa/hot tub on unused City of Manchester land immediately northerly of the Dockside II Condominiums at 51 Riverfront Drive, Manchester, New Hampshire, 03102.

As to terms and conditions:

- 1. We will remove the spa/hot tub within (30) days of Notice from the City that it needs to use the area in question.
- 2. We will insure the spa/hot tub with liability insurance with limits of not less than (\$1,000,000) per person.
- 3. We will, and hereby do, agree to hold harmless and indemnify the City of Manchester and its officials, agents, employees, and all Manchester citizens from and against any and all liability arising out of or relating to the use, repair, maintenance, and/or condition of said spa/hot tub.

Attached to this letter and made a part hereof by reference are medical letters from Kenneth D. Thomas, M.D., and Edward J. Rusher, D.C., of Amoskeag Chiropractic, establishing the reasons why the subject spa/hot tub is medically necessary, along with a copy of the plan of

"Dockside II Condominium" dated November 7, 1986, and also a plan/diagram of the spa/hot tub we wish to install.

Will you kindly advise what further steps we need to take to perfect this Application For A Revocable License as soon as reasonably possible?

Thank you.

Re: Ms. Patricia Nixon

To Whom It May Concern:

Ms. Nixon is currently under our care for Neck and back pain. Ms. Nixon suffers from severe phase two degenerative disc disease in her cervical and lumbar spine. Her condition remains guarded of the years and at best the goal is symptomatic relief.

It is my opinion the ideal therapy would be therapeutic hot tub to help alleviate symptoms associated with her condition.

If you have any questions regarding Ms. Nixon's condition or my recommendation, please do not hesitate to contact my office with permission from Nixon to discuss her condition.

To Whom It May Concern:

This is a letter on behalf of Mrs. Patricia Nixon. I have followed her medically for numerous years. She is known to have severe osteoarthritis and a chronic neck pain syndrome for numerous years. She has been evaluated with minimal help with traditional therapy as far as alleviating her symptoms of chronic pain. What has helped and what is recommended to the patient that she purchase a spa or hot tub so as to self-administer therapy at home on a regular basis. This, as mentioned above, has proven to be successful for the patient, and therefore I think this should be a covered medical service.

Certainly if there are any questions about this, or I can answer other questions about this or provide additional information, please let me know.

Sincerely yours,

Dear Chairman Thibault and Committee Members:

The Board of Assessors has reviewed the revocable license request to place a spa/hot tub on Map 105 Lot 8A. It is our understanding, based on the proposed agreement, that the City can revoke the license with a 30-day notice. Therefore, the City is not transferring any permanent rights from the property, and as such, the value of the property would remain the same. The Committee could, if it chooses, charge a nominal fee for the use of the property.

We remain available to answer any questions that you might have regarding the matter.

The Honorable Board of Mayor and Aldermen One City Hall Plaza Manchester, NH 03101

Re: Request for Amendment

Dear Board of Mayor and Aldermen:

Moore Center Services has been serving the people of Manchester for almost 50 years. For the past 34 years, we have leased the old Highland School on Titus Ave. from the City. In June 2004, the Board of Mayor and Aldermen agreed to sell the property to Moore Center Services for \$1.00, subject to the inclusion of a deed reverter clause. For a variety of reasons, Moore Center Services has not yet taken title to the property.

After being advised by a consultant two years ago to delay our plans for a capital campaign, we are now ready to move forward. During the past two years, Board members and other community leaders have suggested that a reverter clause would limit our ability to raise money. Further, it could jeopardize the sizable investment that we already have in the property if it ever became necessary to move our operations to another location. In fact, we believe that our accumulated investment in the property already exceeds the current value of the land and facility. If we were to invest another \$4M or more into the property without clear title, it is the opinion of almost everyone we speak with that we would be putting our investment at risk.

We truly appreciate the wonderful partnership that we have enjoyed with the City of Manchester. It is our expectation that Moore Center Services will continue to provide support to the citizens of Greater Manchester for many more years as we strive to provide opportunities for all our clients to have a good life.

We hereby request that the Board of Mayor and Aldermen remove the reverter provision in order to allow Moore Center Services to take sole ownership of the property. Thank you for your consideration of our request.

Sincerely,

To the Committee on Lands and Buildings,

FYI.

Recently, I received a phone call from the Trust for Public Lands in regards to the Bass Island property. Myself and Chuck DePrima from the Parks and Recreation Department met with Kate Garrett, a representative from TPL early this year to discuss their willingness to assist the city with the purchase of the property. They have researched many funding opportunities, communicated with both land owners, assessed the properties and were willing to meet with the Mayor's office to present their findings etc. and to assist with negotiations.

Attempts were made to speak with the Mayor's office, but Mr. Sean Thomas did not return any of their phone calls or emails. It is very frustrating to work with a board so willing to move forward with purchasing the land for open space and for hazard mitigation, but yet have so little participation from the Mayor's office.

The TPL has moved on and is no longer willing to invest their time assisting the city because of the lack of interest and support from the Mayor's office. The TPL is a national organization that works with municipalities by identifying funding sources for the preservation of land and historic places and today we have lost that opportunity.

During a recent meeting with Mr. Thomas, city officials, myself and the Netsch's, some discussion focused on mitigation money that may be available in the near future from the Airport Authority. I was hoping that the Lands and Buildings Committee could follow up with Sean about that possibility.

Soon, the Parks and Rec. Department will be presented an environmental study of the property so that the city can move ahead with purchasing a portion of Bass Island, the blacksmith shop, and work towards identifying the funding source for the other portion of the property.

Land preservation, the creation of greenways and the preservation of historic places is a necessary component of a vibrant city which encourages tourism, a vital part of our economy. With the blacksmith shop now eligible for the National Historic Registry, it is very important that we continue the momentum and work towards closure for the Netsch's and to help reduce the blithe on the west side of Manchester.

Please phone if you need additional information.

OTT OF ERV

November 9, 2005

Honorable Board of Mayor and Aldermen C/o City Clerk One City Hall Plaza Manchester NH 03101

Honorable Members of the Board:

As you know, the Manchester School District has moved its headquarters from Ash Street School to the Millyards. In anticipation of the district returning the building to the City, discussions with Amoskeag Industries regarding the reuse of the property have been convened. The building was constructed by the City of Manchester. Reverter rights to the underlying land are held by Amoskeag Industries.

These discussions found that the highest and best use of this visible property along Bridge Street, a gateway arterial on the edge of the Downtown District, would be a landscaped, historic headquarters office facility. It was recommended that covenants requiring that the historic structure and grounds be enhanced and preserved be established. There appears to be private interest in this property for this use. To accomplish this purpose, the property could be marketed and sold competitively with the proceeds shared by the City of Manchester and Amoskeag Industries in accordance with their respective interest in the property. To this end, Amoskeag Industries is securing an appraisal for the parcel.

Further, it was suggested that the Manchester Development Corporation (MDC) might be equipped to market the property for private purchase and restoration and the MDC Board expressed an interest in doing so if requested by the Board of Mayor and Alderman (BMA). To date, the city has not received notice from the School District turning the building over to the City. We will keep the BMA apprised of actions and await the BMA's direction with regard to re-use of this property.

Dear Committee Members:

This is to provide a report pursuant to Section 34.20 pertaining to the above-referenced city-owned land and building.

Background: This property, located on the northeast corner of Bridge and Maple Streets, was first used as a school and then subsequently as a school administration building. School administration has since moved to another location and has determined the property surplus to their needs. The property is listed on the National Register of Historic Places. In addition, Amoskeag Industries retains reverter rights on the land portion of the property. A portion of any proceeds, therefore, would go to Amoskeag and preliminary meetings have been held in this regard.

Surplus Determination and Disposition: It is the recommendation of the Planning & Community Development Department that the property is surplus to City needs and may be disposed of through public sale. We would recommend that the Board attach a condition that future uses retain the historic character of the building, given its National Register status. I would note that this would not preclude an addition to the rear or side of the building. We would also encourage (but not require) that the property on the side facing the corner of Bridge and Maple Streets be landscaped. It is expected that the best use of the property may be for commercial office and that the zoning may need to be reviewed to allow this

If you have any questions, our staff will be available at your meeting.

Sincerely,

Robert S. MacKenzie, AICP

CITY OF MANCHESTER

Manchester Economic Development Office

August 22, 2006

Alderman Henry Thibault Chairman, Land & Buildings Committee Honorable Board of Mayor and Aldermen City of Manchester Manchester, New Hampshire 03101

Subject: Ash Street School

Dear Alderman Thibault:

This is to request that the Ash Street School be declared surplus property and that staff be directed to negotiate a marketing agreement with Amoskeag Industries for its disposal. The Manchester School District has vacated the property and parties have expressed interest in the property. Planning and Community Development Director Robert Mackenzie has recommended that the property is surplus to the City needs and may be disposed of through public sale.

The City was granted fee simple interest in the property located at 196 Bridge Street subject to conditions. The recorded deed provided that Amoskeag Manufacturing Company and its successors can regain title and possession of the property (Right of Re-Entry) if the property is occupied as other than a schoolhouse. While Amoskeag Industries, as successor to Amoskeag Manufacturing Company, can exercise its Right of Re-Entry at any time, they have offered to refrain from entering and repossessing the property (exercising its Right of Re-Entry) subject to negotiation of an agreement calling for Amoskeag Industries to sell the property and pay a portion of the proceeds to the City. An Agreement for the marketing and sale of the property will be submitted for your review when available.

Amoskeag Industries is a private corporation whose purpose and direction is focused on community economic development. They are directed by local business leaders who have expressed an interest in becoming more pro-active and aggressive in real estate development projects which benefit the City and have actively solicited ideas and opportunities from staff. Amoskeag Industries holds Rights of Re-Entry to numerous parcels throughout the City including the National Guard Armory.

Respectfully submitted,

Re: Ash St. School Building

Dear Committee Members:

Attached please find financial report outlining expenditures incurred by the Facilities Division for the maintenance and upkeep of the Ash St. school building, as requested.

The building is currently in good condition. Recent repairs to the roof have been completed and any associated damage taken care of.

From the perspective of the Facilities Division the sale of this property should be aggressively pursued to avoid further expenses. Heating costs are substantial and even though the building is vacant we must provide heat to maintain the integrity of the interior finishes.

Re: Seal Tanning Lot, Granite Street Lot & Phillippe Cote Way

Dear Members of the Honorable Board:

Yesterday my office received an official request from David Brady of Brady-Sullivan Properties requesting that the above referenced parcels, currently owned by the City of Manchester, be placed out for competitive, sealed bid. Having conferred with staff this morning about this matter, it is my recommendation that the Board refer this letter to the Committee on Lands & Buildings for its thoughtful consideration. Furthermore I am asking staff to concurrently prepare recommendations for the committee.

The Honorable Mayor Frank C. Guinta Mayor of Manchester One City Hall Plaza Manchester, NH 03101

Dear Mayor Guinta:

Please accept this letter as affirmation of Brady Sullivan Properties' interest in pursuing the acquisition of certain City-owned properties located within the Historical Millyard District. More specifically, our interests include those properties located on Granite Street, Phillippe Cote Way and the Seal Tanning parking lot.

As property owners of the Waumbec Mill, a 450,000 square foot multiple-use mill complex located nearby the above-referenced subject properties, the critical lack of parking is jeopardizing our efforts to retain existing and procure additional Class A tenants. While this opinion is surely shared by other Millyard owners, we feel it is time for the City to seek out new partners who have a willingness to channel their creative planning resources and private monies to remedy this serious Millyard deficiency. The mere reshuffling of property ownership from municipal to private hands is not an economic development strategy in itself unless it contains specific and immediate initiatives to **create more available parking**. We at Brady Sullivan Properties stand willing to commit our resources to invest in the Millyard's future through the purchase of these properties by adding more structured parking above the at-grade parking tracts referenced-above.

We acknowledge the myriad of complexities, political and economic, that come with the disposition of these municipal assets. A number of fine Millyard buildings have been redeveloped and house businesses whose employees now park on these City-owned lands. Our interests would be to strategically increase the number of available parking spaces for the entire southerly portion of the Millyard through the phased construction of new spaces in structured facilities. We will work with businesses now attilizing these parking areas to protect their economic infrastructural base. Moreover, our professional management of the existing parking assets along with the addition of new structured parking will position us to become involved with other buildings within this neighborhood that are now threatened by demolition due to their dilapidated/deteriorating physical condition.

Given the above, we hereby request the City of Manchester offer the sale of the aforementioned City-owned properties by sealed bid. In doing so, this would ensure an economic return far exceeding that which has been recently considered. The true

economic benefit of this approach will be realized in the future as market-inhibiting obstacles are diminished, allowing for the repositioning of the Millyard's built assets. Existing businesses will feel comfortable expanding their operations while new businesses will find the market ready to accommodate their needs.

As mentioned above, we at Brady Sullivan Properties will continue to commit ourselves to work hand-in-hand with the City of Manchester in finding broader solutions to our shared Millyard problems. While our Seal Tanning parking lot initiative would be a necessary first step in mitigating some of the parking shortages now experienced in the Millyard's southern tier properties, we remain steadfast in our desire to partner with the City in the development of the more centrally located Bedford Parking Lot site. The strategic development of this parcel is critical to the continued gentrification of the surrounding Millyard properties, as well as lending new parking infrastructure for future anticipated development on adjacent, underutilized parcels of land. The prospect of introducing new and exciting marketing opportunities within the heart of the Millyard can only be accomplished if the level of private investment is matched by the City's commitment to invest in creative economic development solutions.

We look forward to your deliberations on our proposal for the disposition of the Seal Tanning parking lot and surrounding municipal parcels as well as the initiation of negotiations relative to the Bedford Parking Lot.

Respectfully submitted,

David T. Brady

IN BOARD OF MAYOR AND ALDERMEN. MAY 16, 2006.

A TRUE RECORD.

To the Board of Mayor and Aldermen of the City of Manchester:

The Committee on Lands and Buildings respectfully recommends, after due and careful consideration, that the Board find property known as the Seal Tanning Parking Lot, the Granite Street Parking Lot and land contained within Phillippe Cote Street be declared surplus to City needs and disposed of through sale to 1848 Associates, the abutter, at a price of \$635,500 as predetermined reasonable by outside appraisal and Board of Assessors subject to terms and conditions to be set forth in a Purchase and Sales Agreement enclosed herein.

The Committee notes that it finds just cause to sell such property to the abutter as sale will alleviate parking issues in the Millyard area without financial burden to the City and facilitate future rehabilitation of the Pandora Building.

The Committee recommends that Phillippe Cote Street be discontinued to assist with consummating the sale of all aforementioned properties and provide for the development of same, and that the Board of Mayor and Aldermen suspend the rules and refer such discontinuance to a Road Hearing to be scheduled by the City Clerk at the earliest convenient date without referral to the Committee on Community Improvement, and request the Public Works Director provide a report as soon as practicable to the City Clerk with regard to such discontinuance.

May 16, 2006. In Board of Mayor and Aldermen. Failed on roll call.

Re: Granite Lot; Seal Lot; Phillippe Cote Street

Dear Mr. Borek:

Please allow this letter to serve as a formal request, on behalf of 1848 Associates, to purchase the above referenced parcels from the City of Manchester on the general terms and conditions listed below:

Price: \$6

\$635,000.00, as previously discussed

Closing Date:

Will vary by parcel. We'd like to close on the Seal Lot as soon as possible. The Granite Lot and Phillippe Cote Street sales would close upon the approval of the street discontinuance and expiration of any and all appeal periods.

Contingencies:

Subdivision Approval

• Issuance of a construction easement for the Granite Street Bridge Project through September 30, 2008, with the right to extend this term by nine (9) months provided that during any such extension, the City would provide reasonable alternative parking spaces equivalent to the number of spaces that would have been created in the construction easement area.

Our objectives for purchasing these parcels are two-fold: (i) to meet the short term parking needs of existing tenants in Gateway 1, II, and III; and, (ii) to facilitate future rehabilitation of the Pandora Building. If these parcels are purchased, 1848 Associates will commit to add a parking deck to the Seal Lot at 1848 Associates expense. This will alleviate growing parking problems for Autodesk and Texas Instruments, without any financial burden on the City. Rehabilitation of the Pandora Building will require additional parking in the future and 1848 Associates assumes that such parking needs to be created privately, without financial burden to the City. This land purchase would facilitate such action.

Thank you for your attention to this matter and please feel free to contact me should you wish to discuss this further.

PANDORA PROPOSAL

In the fall of 2004 we received bids for the Granite Street Widening Project. The bids were extremely high and were rejected.

• In talking with contractors we determined that the Project should be broken up in phases to reflect roadwork or bridgework. We also heard that there was a need for adequate staging/work area, especially, on the

eastside.

• We made the decision to break the project into 3 phases. The first phase would be the westside and would be included in the States Interchange Project. The second phase would be the Granite Street Bridge Widening and work on the Granite Street Parking Lot. The final phase would be from Commercial Street easterly to Canal Street or Elm Street, based on available funds.

• In order to secure adequate staging, we approached Don Clark, because he was the major leaseholder of spaces in the Granite Street Lot and had control over the abandon Pandora Property. (Westside, State controlled.)

 Don Clark informed us that they had someone interested in the Pandora Property as a hotel and would like to discuss the purchase of both the Granite Street Lot and the Seal Tanning Lot and the discontinuance of Phillipe Cote Street. It was indicated that they would build decks on the lots to provide adequate parking.

 Mr. Clark assured us that staging issues would be worked out. In addition, if the project went forward the City would not have to build all the proposed retaining walls around the Granite Street Lot and would not have to excavate the lot as proposed. (Substantial project costs savings.)

The City set up a Team to move the proposal forward. Team: Frank Thomas and Dennis Anctil, Highway, Kevin Clougherty and Randy Sherman, Finance, Bill Jabjiniak, Destination Manchester, Tom Clark, Solicitors, Bob MacKenzie, Planning, Steve Hamilton, Assessors and Mike Colby, Mayor's Office.

 The Proposal looked good to everyone in that the major development would increase the City's Tax Base, the developers would provide additional parking and the City would save construction costs on the

Granite Street Project.

• The City's Parking Consultant noted to us that the City didn't need the two lots in question where they basically only provided parking to the direct abutters. They had no concerns over the City selling these lots.

• The City had an appraisal (Bramley), Clark had an appraisal (Fremeau) and a review appraisal was conducted by the City (Crafts). Crafts concluded that it would be appropriate to rely on fee simple value of the • The Fremeau Appraisal noted a value to the properties of \$1,920,000. Granite Street Widening

CLD Reference No. 00-0210

SUBJECT: Granite Parking Lot Redevelopment Costs

The purpose of this memo is to document and update the estimated value of certain construction costs associated with the proposed reconstruction of the City-owned parking lot known as the "Granite Lot", which is bounded by Granite, Commercial and Philippe-Cote Streets. As was first outlined in our memo dated February 2, 2005, the costs as outlined below would likely be eliminated/deducted from the ultimate cost of the City's Granite Street widening project given the event that the Granite Lot and adjacent Pandora building are privately redeveloped into a new use, including the construction of a new private parking garage.

As previously documented, anticipated City contract deducts would include the value of reconstruction of the Granite Lot (Jillian's Lot) including an extensive retaining wall system and associated work efforts along Granite, Commercial and Philippe-Cote Streets. In its place would stand a proposed parking deck that would be constructed adjacent to the newly constructed Granite Street Widening.

Given the recent bids that were accepted for the City's bridge project on July 20th, we have now taken the opportunity to review our original cost estimates to base them on current and actual prices. That being stated, the values noted below reflect adjustments made by evaluating and averaging the unit costs as presented by the four bidders for that project. It should be noted however that until a parking garage design is completed for the subject site, there remains some uncertainty in the value for the Granite Street retaining wall work until a design has been completed for the Pandora Parking Garage and the union between this structure and Granite Street can be better defined. Additionally, as was referenced in the original February 2005 memo, there are also other hard costs that have been identified by City staff that total approximately \$300,000 and relate to the future programmed maintenance and/or rehabilitation costs for the subject parking lot and Philippe-Cote Street.

The updated estimate potential cost-offset to the City's Granite Street project in anticipation of the proposed private development is summarized as follows:

Memorandum to Francis C. Thomas, P.E. CLD Reference No. 00-0210 July 25, 2005 Page - 2

\$500,000 (includes Philippe Cote St. Reconstruction) 1. Granite Lot Reconstruction: \$390,000 (Granite St. Sta. 116+67 to Commercial St.) 2. Retaining Wall Construction:

Lands and Buildings Committee of the Alderman Henry R. Thibault, Chairman City Clerk's Office One City Hall Plaza, Manchester, New Hampshire 03101

Re: Pandora Proposal

Dear Alderman:

City staff supports the sale of the Granite Street Parking Lot, the Seal Tanning Parking Lot and the discontinuance and sale of Phillippe Cote Street for the following three main reasons:

1. Construction costs on the Granite Street Widening Project will be reduced by approximately \$1.2 million.

2. Additional parking will be provided in the Millyard without the investment of any City funds.

3. \$10 million of new development will be added to the City's tax base.

In the fall of 2004 the City received bids for the Granite Street Widening Project, which were extremely high and later rejected. In reviewing the issue with contractors, we determined that the project should be broken into three phases made up separately of roadwork and bridgework. It also became apparent that contractors had concerns with coordination issues on the west side due to multi-contractors working in the same area and the need to have an adequate staging area on the east side for the bridgework. As a result, the use of the Granite Street Parking Lot for a staging area became a high priority for a successful project.

Over the winter, we approached Mr. Don Clark who represents 1848 Associates who is a major leaseholder of spaces in the Granite Street Lot and owners of the Pandora Property regarding our Granite Street Project and the issue of contractor staging. Mr. Clark at this time informed us that they had someone interested in the Pandora Property as a hotel. He went on to say that they had a desire to talk to the City about purchasing the Granite Street Lot, the Seal Tanning Lot and Phillippe Cote Street in order to make their project a reality. It was noted that a parking deck would be constructed from the Pandora Building southerly across the Granite Street Lot as part of the hotel project and that they had a further desire to build a future parking deck over the Seal Tanning Lot to provide additional parking.

DRAFT

It became apparent in our discussions with Mr. Clark that if the City accepted this proposal, there would be substantial savings in Granite Street construction costs. These savings would be realized by not having to reconstruct the Granite Street Lot by excavating it to one level and building retaining walls along the Commercial Street and Phillippe Cote Street sides. These potential savings were extremely appealing in that increases in the cost of construction materials has clearly jeopardized the completion of the entire Granite Street Widening Project without a sizable additional City appropriation. In addition, we also determined that there would be savings in not having to perform scheduled maintenance on the Seal Tanning Lot.

Believing that this proposal had merit, a City Team was created to move this proposal forward. This Team consisted of Frank Thomas and Dennis Anctil from Highway, Kevin Clougherty and Randy Sherman from Finance, Bill Jabjiniak from Destination Manchester, Tom Clark from the Solicitor's, Bob MacKenzie from Planning, Steve Hamilton from the Assessors and Mike Colby from the Mayor's Office.

An appraisal to determine the value of the properties was performed by the City and another one performed by 1848 Associates. Due to a wide spread between appraisals, a review of the appraisals was made by Crafts Appraisals for the City. This review recommended utilizing the one prepared by Fremeau Appraisal, Inc., which placed a value on the properties of \$1,920,000. A value of \$1,284,500 was identified by City consultants as savings resulting from not having to do the construction work on the Granite Street Lot and the scheduled maintenance work on the Seal Tanning Lot. (This amount based on actual bids recently received is now estimated at \$1,540,500.) Discounting the appraised value of the property by \$1,284,500 resulted in a net selling price of \$635,500.

The City's Parking Consultant was next contacted to determine if the City should retain ownership of these lots in order to preserve our ability to build parking structures on them in the future. The Parking Consultant responded by saying that the site of these two lots basically only provides parking for the directly abutting businesses and that a future parking structure should ideally be located in the center of the millyard in the area of the Bedford Street Lot. Therefore, the Parking Consultant did not have any concerns over the City potential selling these lots.

As a result of the above, it is recommended that you find these properties as surplus, that you waive the need to competitively bid the sale of these properties, that you accept the proposed selling price of \$635,500, that you recommend the discontinuance of Phillippe Cote Street and further recommend the same to the Board of Mayor and Aldermen.

I will be available to answer any questions you may have on the matter.

Very truly yours,

Frank Thomas, P.E. Public Works Director

re: Seal Tanning lot and Granite Street lot

Honorable Committee Members:

The abutting property owners have expressed an interest in acquiring the above referenced City owned lots.

Background: These lots were leftover parcels from the redevelopment of the Millyard by the MHRA. Since that time they have been used for parking by the abutting property owners who are currently requesting their purchase. It should be noted that the Public Works Department has indicated that a significant amount of money can be saved (exceeding \$1,000,000) if they do not have to rebuild the Granite Street lot as part of the Granite Street reconstruction project.

Surplus Determination: The draft parking study has recommended that these two parking lots are not required for a long term parking program. As such, we would recommend that the lots be determined surplus to City needs.

Method of Sale: Normal disposition would be by public sale. In this situation, the Committee and Board may find public purpose for selling the properties to the requesting party for the following reasons:

- 1) The requesting party is the primary abutter to the Seal Tanning lot and is the only abutter to the Granite Street lot;
- 2) The requesting party has been the primary user of the lots for at least the last fifteen years; and
- 3) Sale of the lots will likely increase the business activity in the three existing redeveloped buildings and may lead to the redevelopment of the Pandora Building.

If there are any questions, staff will be available at the committee meeting.

Sincerely,

Robert S. MacKenzie, AICP

Re:

Granite Lot, Seal Tanning Lot, and Phillippe Cote Street

Dear Committee Members:

As part of the disposition process of City owned land the fair market value of a property must be established. The Board of Assessors recommends that the Committee order an outside fee appraisal pursuant to Section 34:19 of the Code of Ordinances.

The following appraisals were performed on the above—mention lots:

- Robert G. Bramley was hired by the City to perform an appraisal
- Joseph G. Fremeau was hired by 1848 Associates to perform an appraisal
- John M. Crafts was hired by the City to review both appraisals.

After reviewing all appraisal reports, we believe that the assumptions made in Fremeau's appraisal are better supported, and thus are a better indicator of market value; Mr. Crafts also shares this opinion. It would appear that the Committee should accept Fremeau's opinion of value. We remain available to answer any questions the committee might have concerning this matter.

Sincerely,

PURCHASE AND SALE AGREEMENT

THIS PURCHASE AND SALE AGREEMENT (the "Agreement"), is made by and between 1848 Associates, a New Hampshire limited partnership, with a mailing address of 340 Commercial Street, Manchester, New Hampshire 03101 (hereinafter "Purchaser") and the City of Manchester, a New Hampshire municipal corporation, having principal offices at One City Hall Plaza, Manchester, New Hampshire, 03101 (hereinafter "Seller").

WITNESSETH:

In consideration of the mutual covenants set forth herein, the parties undertake and agree as follows:

1. RECITALS AND PURPOSES

- 1.01 Seller wishes to sell and Purchaser wishes to buy three certain properties together with all appurtenant easements, improvements, fixtures and appurtenances, attached or affixed thereon and, except as set forth herein, all rights in adjacent streets or roads, all riparian rights, all assignments of contracts, leases, rents, security deposits, tax abatements, actions, and other property, rights and interests therein, as more particularly described on Exhibit A attached hereto and incorporated herein by reference (collectively the "Premises").
 - 1.02 Purchaser having represented to the Seller that it will:
 - A) Add a parking deck to the Seal Tanning Lot at the Purchaser's expense.
 - B) Create privately, without any expense to the Seller, such additional parking as the potential rehabilitation and/or redevelopment of the Pandora Building may require.
 - C) Actively pursue the potential rehabilitation and/or redevelopment of the Pandora Building, such potential rehabilitation and/or redevelopment to be accomplished without any expense to the Seller.

2. PURCHASE AND SALE

- 2.01 Expressly conditioned upon and in reliance on the terms and conditions set forth herein, Seller hereby agrees to sell and Purchaser agrees to purchase all of Seller's interest in the Premises.
- 3. PURCHASE PRICE, ADDITIONAL PAYMENT, AND MODE OF PAYMENT

- 3.01 <u>Purchase Price</u>. The Purchase Price for the Premises shall be Six Hundred Thirty Five Thousand Dollars (\$635,000.00) (the "Purchase Price").
- 3.02 <u>Additional Payment</u>. In addition to the Purchase Price, Purchaser shall pay an additional \$200,000.00 (the "Additional Payment") to the Seller to reimburse the Seller for the additional costs associated with the modified construction of a retaining wall along Granite Street (adjacent to Parcel III of the Premises). Said retaining wall shall be constructed and maintained by the Seller and the modified design is being constructed so that the Purchaser may excavate and construct certain parking lot improvements to Parcel III.
- 3.03 <u>Escrow of Purchase Price and Additional Payment</u>. Upon execution of this Agreement, Purchaser shall pay the sum of the Purchase Price and the Additional Payment (a total of \$835,000.00) to the City of Manchester, City Solicitor's Office, to be held in escrow (the "Escrowed Funds") in an interest bearing account with interest to be reported as the income of Buyer (tin) and interested credited to Buyer.
 - (i) Upon completion of the construction of the retaining wall along Granite Street referred to in section 3.02 above, a portion of the Escrowed Funds shall be paid to Seller to reimburse Seller for the actual additional cost to the Seller of constructing that retaining wall at the increased depth necessary to accommodate Purchaser's planned use of the Granite Lot, rather than the depth otherwise required (hereafter the "Additional Cost"). If the Additional Cost is less than \$200,000.00, a portion of the Escrowed Funds, equal to \$200,000.00 minus the Additional Cost, shall be refunded to Purchaser. If the Additional Cost is greater than \$200,000.00, Purchaser shall pay to Seller, upon demand, the excess of the Additional Cost over \$200,000.00
 - (ii) \$530,000.00 of the Escrowed Funds shall be paid to the Seller to pay the portion of the Purchase Price due at the Parcel II Closing as provided in section 4, below.
 - (iii) \$105,000.00 of the Escrowed Funds shall be paid to the Seller to pay the portion of the Purchase Price due at the Parcel I and Parcel III Closing as provided in section 4, below.
 - (iv) Interest earned on the Escrowed Funds shall be paid to Purchaser upon demand.

4. CLOSING, TIME AND PLACE

4.01 The Closing of the sale of Parcel II (the "Parcel II Closing") shall take place on or before thirty (30) days after satisfaction by the Seller of the so-called "surplus property" procedures contemplated by Section 6.04 plus any applicable appeals period(s).

- The Closing of the sale of Parcel I and Parcel III (the "Parcel I and Parcel III Closing") shall take place on or before thirty (30) days after the last of: (i) the satisfaction of the termination of the public ways contemplated by Section 6.03 plus any applicable appeals period(s); (ii) the satisfaction by the Seller of the so-called "surplus property" procedures contemplated by Section 6.04 plus any applicable appeals period(s); or (iii) receipt by the Seller of subdivision approval for the Premises contemplated by Section 6.05 plus any applicable appeals period(s).
- 4.03 The Closings shall take place at the City Solicitor's Office, One City Hall Plaza, Manchester, New Hampshire.

5. OBLIGATIONS OF THE PARTIES AT CLOSING

5.01 At each Closing, Seller shall deliver to Purchaser

- (i) a quitclaim deed of its interest in the Premises being conveyed in statutory form, conveying clear, record and marketable title in fee simple absolute (the "Deed"). Each Deed shall contain a restriction in favor of the Seller limiting new construction and uses on the Premises to those associated with the use of the Premises for parking facilities and parking purposes unless the Board of Mayor and Aldermen of the Seller approves otherwise. Each Deed shall be subject to the existing current public utilities on the Premises. The Deed of Parcel III will also contain a temporary construction easement for the Seller to use a portion of Parcel III, as set forth on Exhibit A, as a construction staging area, for Seller's widening of Granite Street. The easement shall terminate on September 30, 2008 or sooner if the Seller has completed all of it improvements/constructions on Granite Street.
- (ii) mechanics lien and parties in possession affidavits by Seller, and other forms and affidavits as reasonably and customarily required by Purchaser's lender or title insurance company for transactions of this type and nature.
- (iii) a copy of Seller's vote(s), authorizing resolutions, or similar evidence, authorizing sale of the Premises.

5.02 At Closing, Purchaser shall deliver to Seller:

- (i) the designated portion of the Purchase Price (from the Escrowed Funds as provided above).
- (ii) a copy of Purchaser's, or its assignee's, vote(s), authorizing resolutions, or similar evidence, authorizing the purchase of the Premises.
- (iii) real estate transfer and other forms and affidavits customarily required.

- 5.03 At each Closing (i) the Premises will be conveyed in the same condition as the date hereof, reasonable wear and tear excepted, free of tenants and any personal property of Seller, and (ii) the title to the Premises will be in the same condition as of the date of Purchaser's title examination.
- 5.04 Purchaser shall commence construction of a parking deck on Parcel II on or before 12 months after the Parcel II Closing referred to herein and shall complete construction of that parking deck on or before 36 months after the Parcel II Closing referred to herein

6. DELIVERIES PRIOR TO CLOSING, INSPECTIONS, DUE DILIGENCE AND CONDITIONS TO CLOSING

- after the last party executes this Agreement to undertake such title examinations as it deems appropriate, and if it determines that there is any objection to Seller's title rendering it uninsurable or unmarketable, it shall so notify Seller in writing. If defects or flaws in title are of such character that they may be readily remedied or removed by Seller, then, upon receipt of the notice, Seller shall promptly institute and prosecute proceedings to remedy such defects, and upon giving return written notice to Purchaser to that effect, Seller shall be entitled to sixty (60) days from Purchaser's notice to correct such title defects. If Seller is unable to remedy title within said sixty (60) day cure period, then Purchaser may either: (i) terminate this Agreement, whereupon Purchaser shall be entitled to the return of the remaining Escrowed Funds (except for the Additional Cost defined in 3.03(i), above, unless the Seller is able to cancel construction of the modifications to the retaining wall referred to therein), and both parties shall be discharged from any further liability under this Agreement, or (ii) Purchaser may elect to accept such title as Seller can deliver, with no reduction of the Purchase Price.
- 6.02 Purchaser shall have until 5:00 p.m. of the thirtieth (30th) calendar day after the last party executes this Agreement (the "Due Diligence Period") to undertake at its sole cost and expense: (i) engineering studies and inspections as it deems appropriate; (ii) a soils investigation and inspection as it deems appropriate; (iii) a zoning and use review; (iv) a review of the environmental condition of the Premises; and (iv) a review of any and all matters, information and documentation relating to or concerning the Premises. If Purchaser shall discover or determine prior to the expiration of the Due Diligence Period that it or its lender(s) are not satisfied in any way with the status of the Premises or the results of any of its due diligence or inspections, Purchaser shall have right to terminate this Agreement by written notice to Seller on or before ten days after expiration of the Due Diligence Period whereupon Purchaser shall be entitled to the return of the remaining Escrowed Funds (except for the Additional Cost defined in 3.03(i), above, unless the Seller is able to cancel construction of the modifications to the

retaining wall referred to therein), and both parties shall be discharged from any further liability under this Agreement.

- 6.03 The parties obligations as to Parcels I and III are expressly contingent upon the Seller legally discontinuing Phillippe Cote Street, so-called, and any other portion of the Premises which are a public street or public way. Seller shall have until 5:00 p.m. of the one hundred eightieth (180th) calendar day after the last party executes this Agreement to discontinue Phillippe Cote Street, so-called, and any other portion of the Premises which are a public street or public way, failing which Purchaser may elect to terminate this Agreement, whereupon Purchaser shall be entitled to the return of the remaining Escrowed Funds (except for the Additional Cost defined in 3.03(i), above, unless the Seller is able to cancel construction of the modifications to the retaining wall referred to therein), and both parties shall be discharged from any further liability under this Agreement. This paragraph shall not be interpreted so as to require any particular vote by the Board of Mayor and Aldermen on the discontinuance of Phillippe Cote Street.
- 6.04 This Agreement is expressly contingent upon the Seller complying with and satisfying the provisions of the so-called "surplus property" ordinance for the City of Manchester and receiving all approvals and consents necessary to convey the Premises to Purchaser in accordance with this Agreement (collectively the "Seller Approvals"). The Seller shall have until 5:00 p.m. of the one hundred eightieth (180th) calendar day after the last party executes this Agreement to obtain the Seller Approvals, failing which Purchaser may elect to terminate this Agreement, whereupon Purchaser shall be entitled to the return of the remaining Escrowed Funds (except for the Additional Cost defined in 3.03(i), above, unless the Seller is able to cancel construction of the modifications to the retaining wall referred to therein), and both parties shall be discharged from any further liability under this Agreement.
- 6.05 This Agreement is expressly contingent upon the Seller obtaining and receiving subdivision approval necessary to convey the Premises (the "Subdivision Approval"). Seller shall have until 5:00 p.m. of the one hundred eightieth (180th) calendar day after the last party executes this Agreement to obtain and receive Subdivision Approval, failing which Purchaser may elect to terminate this Agreement, whereupon Purchaser shall be entitled to the return of the remaining Escrowed Funds (except for the Additional Cost defined in 3.03(i), above, unless the Seller is able to cancel construction of the modifications to the retaining wall referred to therein), and both parties shall be discharged from any further liability under this Agreement. This paragraph shall not be interpreted so as to require any particular vote by the Manchester Planning Board on any request for subdivision approval.
- 6.06 Upon execution of this Agreement Seller shall deliver to Purchaser copies of any and all reports, materials or information in its possession relating to the title, environmental condition, structural condition or other aspect of the Premises and any and all surveys or plans in Seller's possession in connection with the Premises (collectively the "Reports"). In the event that Purchaser terminates this Agreement in accordance

herewith, Purchaser shall return all Reports to the Seller, together with any and all reports, plans, materials, studies or information prepared by or obtained by Purchaser, at no cost to Seller.

7. OCCUPANCY, TENANTS

7.01 As to each Parcel Purchaser shall be entitled to occupancy on the date of Closing, free of all rights of use or possession by Seller and/or any other tenant except for the temporary construction easement on Parcel III referenced in Section 5.01(i), above. Seller agrees that it will deliver the Premises on the Closing free and clear of all personal property of Seller and all tenants or any other right of tenancy or occupancy.

8. ACCESS TO PREMISES/RECORDS

8.01 Between the date hereof and the date of Closing, Purchaser and Purchaser's representatives shall be permitted access to the Premises at reasonable times in order to conduct any due diligence or inspections it desires as contemplated herein. In the course of making such inspections, Purchaser shall not unreasonably interfere with Seller's or the public's use of the Premises. In the event the Closing does not take place as provided herein, Purchaser shall at its sole cost and expense restore the Premises as nearly as possible to its condition existing prior to the time of said examinations. All engineers and other representatives of Purchaser performing such tests and examinations upon the Premises shall be adequately insured with coverages and limits approved by the City of Manchester's Risk Manager.

9. DEFAULT

- 9.01 In the event of Purchaser's default hereunder, then: Purchaser shall not be entitled to return of any portion of the Escrowed Funds necessary to pay the Additional Cost referred to in section 3.03(i) above]; Seller shall be relieved of any further obligation to make any additional conveyances hereunder; \$50,000.00 of the Escrowed Funds shall be paid to Seller as liquidated damages; the balance of the Escrowed Funds shall be paid to Purchaser; and each party shall be discharged from further obligation hereunder.
- 9.02 In the event that Seller defaults hereunder Purchaser, (i) may terminate this Agreement, whereupon the remaining Escrowed Funds promptly shall be refunded to Purchaser, or (ii) seek specific performance and the costs of seeking said specific performance.

10. MISCELLANEOUS

10.01 This Agreement contains all the agreements of the parties with respect to the subject matter hereof. All prior discussions are merged herein. Any amendment hereto shall be effective only if executed with all the formalities hereof by the party against whom the amendment is asserted.

- 10.02 This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
- 10.03 The captions in this Agreement are inserted for convenience of reference only and do not define, describe, or limit the scope or intent of this Agreement of any of its terms.
- 10.04 Assignment. Purchaser may assign its rights hereunder to related entity(s) on the condition that the assignee(s) assume(s) all Purchaser's obligations relating to the subject premises that are conveyed to the assignee.

Alderman Henry Thibault Chairman, Land & Buildings Committee Honorable Board of Mayor and Aldermen City of Manchester One City Hall Plaza Manchester, New Hampshire 03101

Subject:

Granite Street Lot, Phillippe Cote Street and Seal Tanning Lot

Dear Alderman Thibault:

In response to your request for a staff recommendation regarding Brady Sullivan's interest in the above properties, it is our determination that the Board of Mayor and Alderman should direct staff to prepare and issue a Request-for-Proposals (RFP) for the purchase and specific development of the Granite Street Lot, Phillippe Cote Street and the Seal Tanning Lot.

The purpose of disposing of these properties is to maintain and expand parking for existing tenants like AutoDesk and Texas Instruments, to facilitate and encourage the redevelopment of the Pandora Building and to expand parking capacity to accommodate demand in the nearby Millyard. Because of the need to solicit and evaluate proposals based upon considerations beyond price and to enforce performance of specific actions beyond outright purchase, the solicitation of proposals through an RFP Process is the recommended approach.

The best interests of the City require that the City solicit and evaluate proposals based on each and all of the following factors:

- purchase price;
- preservation of existing parking;
- commitment to structured parking sufficient to accommodate redevelopment of the area; and
- best economic value (e.g. revenue, job retention and job creation) to the City of Manchester.

It is recommended that the Land & Buildings Committee direct staff to prepare and issue an RFP for purchase and specific development of the Seal Tanning Lot, the Granite Street Lots and Phillippe Cote Street. An RFP could be issued and responses received within 5-8 weeks.

The Economic Development Office (MEDO) is prepared to assume responsibility to coordinate the process together with Planning and Community Development, Finance, Highways and the City Solicitor.

Respectfully submitted.

Re: RFI from Building Networks on Derryfield Park cell phone tower

Dear Alderman Thibault,

This is in response to a recent communication from Building Networks LLC. This company investigates opportunities for their clients as it relates to purchasing lease agreements that may be in place on existing towers. Since our department has no jurisdiction over the tower itself I have referred Mr. Remillard, Principal of Building Networks LLC to Chief Kane. I am also forwarding a copy of Mr. Remillard's letter to the Chief for his review.

Sincerely,

Ronald E. Ludwig
Director
